

Home Care Services

Our **carefully screened** and **highly trained** caregivers provide supervision and companionship while helping your loved one with daily activities. Having a responsible, licensed or certified, health-care worker gives you security and peace of mind, knowing that your loved one can safely remain in their own familiar environment. At Sun Medical our goal is to provide the highest quality homecare services, and reduce the stress and loss of individual freedom for the family members.

Our **Highly Trained Caregivers** can help you and your loved ones with all types of daily activities such as:

- Personal care (bathing, grooming, dressing)
- Medication reminders
- Running Errands, i.e. grocery shopping, prescription pick up, etc.
- Housekeeping/Laundry
- Assistance with mobility and transfers
- Preparation of meals
- Accompany to doctor appointments
- Companionship

4500 New Brunswick Ave., Suite 104
Piscataway, NJ 08854

- Dignity**
- Independence**
- Respect**
- Excellence**
- Compassion**
- Trust**

All the things you need and deserve made available directly to you by Sun Medical Staffing, Inc.

Mission

Sun Medical Staffing, Inc. is dedicated to providing quality care and assistance to New Jersey residents and their dependents, with compassion and caring, enabling them to maintain their independence and dignity.

Personal Service

We get to know you...

By evaluating your strengths, weaknesses, likes, dislikes, daily and long term needs; we are able to develop the most positive and productive plan of care. To accomplish this we offer:

- Free Initial Consultation
- In Home Assessment by a Registered Nurse
- Individualized Care Plan
- Ongoing Communication with Family to Continuously Evaluate Individualized Care Plan

At **Sun Medical Staffing, Inc.**

we believe in caring for the body and mind. We encourage our clients to continue to enjoy the hobbies they still can, and to develop new ones, to keep their mind engaged.

Our Passion

Sun Medical Staffing, Inc. is a premier home care provider in New Jersey. We are proud of the services we provide to New Jersey residents. Our management team has decades of experience in homecare. Most importantly, all of our administrative and clinical staff are committed to providing the type of care they would want their loved one to receive. Each of our clients, for us, represents a mother or grandmother; an aunt or uncle; a brother or sister; a son or daughter. You cannot find greater empathy or compassion than from a group of people who have found themselves in your shoes, which is why fortunately there is a **Sun Medical Staffing, Inc.** for you.

We employ only the best healthcare professionals. Our hiring and screening process is among the most comprehensive in the industry. Our dedicated team is available to help you 365 days a year, 7 days a week, 24 hours a day.

Our Clinical Staff

The staff employed by **Sun Medical Staffing, Inc.** is comprised of experienced caregivers who have been providing commendable home care services for several years. They are dedicated to providing the most thorough care to all **Sun Medical Staffing, Inc.** clients, including your loved one. They are skilled in dealing with all facets of home care services and managing clients' needs to meet ongoing challenges. In some cases a true clinical team approach is taken in delivering care, with the nurse case manager, nurse, nursing assistant, and any other necessary clinicians, such as a physical or occupational therapist all working together towards common objectives for the client's overall benefit.

All **Sun Medical Staffing** employees must complete and pass each of the following requirements:

- License Verification
- LNA Registry Check
- Personal Interview
- Reference Checks
- Health Clearance—including 2 step PPD
- Skills Inventory
- Patient Confidentiality Agreement
- Criminal Background Investigation
- Clinical Testing
- Competency Testing
- I-9 Validation

Our caregivers, like the entire **Sun Medical Staffing, Inc.** team, believe in our mission of superior care, support and improving quality of life.

PROVIDING THE BRIGHTEST STARS
